RE: GALLEGOS #10 EVALUATION
Sec. 31, T26N, R11W
SAN JUAN COUNTY, NEW MEXICO

Gentlemen:

As per your telephone conversation with Harold Korell of our staff, this is to request an additional ten day extension to the previous fifteen day extension requested in our letter of 12/28/73 for pump testing the above well.

We have had pumping unit problems for six days of the last fifteen which has allowed the well to load up. We feel that the additional testing period is necessary to fairly evaluate the well.

Yours very truly,

TENNECO OIL COMPANY
