RE: Gallegos #10 Evaluation

Dear Sir:

As per your phone conversation with Harold Korell of our staff, this is to request a 15-day extension of our original requested test period to evaluate the referenced well as per our letter of December 6, 1973.

We feel that the information to be gained from this testing is necessary to plan our development drilling program in the area.

Yours very truly,

TENNECO OIL COMPANY

D. D. Myers
