Attention: Mr. V. E. Shryack

Administrative Order No. NSL-638

Gentlemen:

Reference is made to your application for approval of a gas well location in the Basin-Dakota Pool for your Lively Well No. 20, to be located 890 feet from the South line and 360 feet from the East line of Section 12, Township 16 North, Range 8 West, San Juan County, New Mexico.

By authority granted me under the provisions of Rule 104-Y of the Commission rules and Regulations, the above-described unorthodox location is hereby approved.

Sincerely,

A. L. PORTER, JR.
Secretary-Director

Dear Mr. Porter:

Re: Request for Administrative
Approval of Unorthodox Basin
Dakota Location For Lively
Well No. 20, E/2 Section 12,
26N - 8W, San Juan County,
New Mexico

Administrative approval for an unorthodox location, because of severe topographic conditions, is hereby requested for the Lively Well No. 20, a Basin Dakota test, located 560 feet West of the East section line and 890 feet North of the South section line.

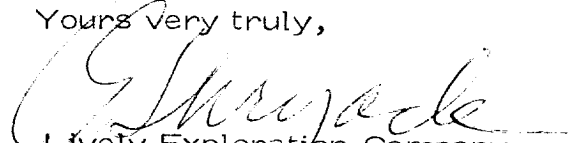

The attached topographic map shows the rugged cliffs covering most of the E/2 of Section 12 leaving only a small portion of the proration unit with terrain where a practical location can be made.

Enclosed are:

1. Topographic plat showing the spacing unit, offset operators, and offset Basin Dakota wells,
2. Form C-102 showing surveyed location of Lively Well No. 20

Basin Dakota rights of offset leases are owned by El Paso Natural Gas Company, Southwest Production Company, Tenneco Oil Company, and Depco, Inc. Copies of this application have been mailed to each of these offset operators as of the date of this letter.

Yours very truly,

Lively Exploration Company
