17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS. (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.) \*

Amoco Production Company requests approval to drill the subject well to a total depth of 6592' instead of 6480', as previously stated in our Application to Drill dated 2-15-84.
