The well is to be tested by July 1, 1988. If no test is conducted or if the well is not capable of producing leasehold substances in paying quantities, the lease will be recommended for termination as described in our 60 day letter dated March 9, 1988. Bill Blackard is to be contacted 48 hrs before the test so it may be witnessed. He can be reached at (505) 327-5344.
