A Sundry Notice filed by J.K. Edwards Associates, Inc. (JKEAI) dated June 5, 1996, advises the BLM that the Ross Federal 1 well is going to be connected to El Paso's pipeline and put into production once we receive right-of-way (ROW) approval from the Navajo/BLM. We have been trying to acquire this ROW for over 8 months.

Please be advised that JKEAI is ready to place the Ross Federal 1 well into production once ROW approval is received. Therefore, JKEAI respectfully requests an additional 90 to 120 days to be granted ROW approval and place this well into production.
