- Dispose Water

(Note: Report results of multiple completion on Well Completion or Recompletion Report and Log form.)

13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

The right-of-way to hook up this well has been approved by NAPI and the Navajo Nation and permits issued by the BIA. Procedures to connect this well have been underway, yet delayed due to contractors' schedules and the ordering of pipe. We expect this well to be connect within the next 2 weeks.
