Merrion Oil & Gas Corp.  
P.O. Box 840  
Farmington, NM 87499

Re: Blackrock D #1E N-20-26N-11W

Dear Steve:

1985 deliverability test on the referenced well showed a dramatic production drop indicating a possible casing failure. Please schedule a bradenhead test in the near future. Notify this office at least 24 hours prior to test, so we may provide a witness.

Yours truly,
