RE: USA SF-079679

Township 26 North, Range 11 West  
Section 17: All  
San Juan County, NM

Gentlemen:

Tenneco Oil Company has requested the Operator of the Gallup formation of the above referenced Oil and Gas Lease to plug back the Delhi-Taylor 5 E Dakota well (Township 26 North, Range 11 West, Section 17, 2,350' FSL, 990' FEL) and the Delhi-Taylor 6 E Dakota well (Township 26 North, Range 11 West, Section 17, 990' FNL, 1,550' FWL) to the Gallup formation.

Our evaluation of these wells confirms that the Dakota formation has been depleted to the point where it is no longer economically feasible to continue operations. We therefore request that El Paso concur with this evaluation, and elect to allow the Operator to plug and abandon the Dakota formation (the B.L.M. has rejected our request for temporary abandonment), and agree to accept salvage value as to your proportionate share of said wells.

Please indicate your acceptance of this request by executing and returning one copy of this letter.

Sincerely,

TENNECO OIL COMPANY
