	(Note: Report results of multiple completion on Well Completion or Recompletion Report and Log form.)

13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)\*

J.K Edwards plans to reperforate and foam frac this well in the same interval as the original completion. After cleanup, the well will be first delivered to El Paso's pipeline. All activities will be limited to the existing pad. This work will be performed after a pipeline ROW is granted. J.K. Edwards has been trying to acquire this ROW for over 8 months.
