Gentlemen:

Reference is made to your Applications for Permit to Drill (APDs) wells No. 9 and 10 O. H. Randel, SE $\frac{1}{4}$ SW $\frac{1}{4}$ sec. 10 and NW $\frac{1}{4}$ SW $\frac{1}{4}$ sec. 9, respectively. Both are in T. 26 N., R. 11 W., San Juan County, New Mexico, lease New Mexico 03153. As discussed with Mr. William J. Fiant of your Company on February 4, 1983, the subject APDs are rescinded and returned due to drilling operations not being commenced within a six month extension period following the original approval date.

You are required to request surface rehabilitation instructions from this office if construction activities occurred on the referenced drill sites. If this office does not receive comment within 15 days, it will presume that no construction occurred and proceed accordingly. Later discovery that construction activities have in fact occurred, will result in assessment of liquidated damages.

Sincerely yours,

"Orig. Sgd." Jim F. Sims
