Tradpied

Re: Kah Des Pah #1

1430'S, 2210'W, Section 18, T-26-N, R-8-W

Dear Mr. Stogner:

In reference to your letter of May 8, 1989, attached is a topographic map showing the location of this well, and a plat showing the location of the washes and the archaeological site. I have also enclosed our work site inspection sheet, showing the various locations and inspections of the Bureau of Land Management, Archaeologist, and Bureau of Indian Affairs personnel and their objections.

Please let me know if further information is needed.

Sincerely,

Peggy Bradfield

May 16, 1989

Mr. William LeMay New Mexico Oil Conservation Division Post Office Box 2088 Santa Fe, New Mexico 87504

Dear Mr. LeMay:

Time Shirt puck

This is a request for administrative approval for an unorthodox gas well location in the Basin Dakota Pool.

It is intended to locate the Meridian Oil Inc. Ka Des Pah #2 at 1430' from the South line and 2210' from the West line of Section 18, T-26-N, R-8-W, San Juan County, New Mexico. Application was made in March, 1989 for this well at 2205' from the South line and 1815' from the West line of this Section. The move to the present location was necessary because of an archaeology request because of the presence of ruins and the presence of Blanco Wash.

A copy of this application is being submitted to all offset operators by certified mail with a request that they furnish your Santa Fe office with a Waiver of Objection, and return one copy to this office.

Plats showing the proposed well location and the terrain in Section 18, along with an ownership plat, are attached.

| Peggy Bradfield | d | |
