Re: Cowsaround 22 #2 well, located B-22-26N-12W, San Juan County

To whom it may concern:

We are in receipt of a form C-104 dated 17 May 1993 that cannot be approved until a communitization agreement is executed. The leases that need to be communitized are NM12028 and NM622. The form C-104 is being returned to you and will not be approved until the necessary work is completed.

If you have any questions, please contact this office or Janice Easley at the Farmington District BLM office.

Yours truly,
