13. Describe Proposed or Completed Operations (Clearly state all pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Please refer to the original Sundry prepared by Central Resources, Inc. on July 5, 2000 which requested approval to leave the subject wells in an inactive status in order to evaluate them for a potential waterflood. We have had extensive P&A schedule and therefore request an additional 30 days to evaluate this well.
