13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)\*

An APD for this well was submitted February 15, 1991, and approved March 7, 1991.

This well was never drilled, and we have no future plans to drill this well. However, a location was built, and there was surface disturbance. Maralex plans to reconstruct this location to its original status sometime this summer.
