On August 26, 1998, Maralex Resources, Inc., submitted a Right-of-Way application with the Navajo Nation to construct a gas line to tie in the Rick #2 to gas sales. The well will be restimulated and gas sales initiated once the approval from the Navajo Tribe is obtained. We are currently still waiting for such Right-of-Way approval from the Navajo Nation. Please extend the approval of this work along with the P & A Sundry pending Right-of-Way approval from the Navajo Nation. (Previous sundry approval expires August 01, 1999 - copy attached.)
