13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

An APD approved February 8, 1994 was extended to August 8, 1995. SG did not drill this well yet but plans to do so in the near future.

SG is requesting that APD approval be extended another six months to give us additional time to drill this well.

All drilling plans, proposed access roads, etc., remain the same as in the original APD. All stipulations and conditions will be followed as stated in the approved APD.
