13. Describe Proposed or Completed Operations (Clearly state all pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

A workover study is in progress for the immediate area of this well. Pending results of the study and result of workover of other nearby wells, this well will have a workover and be returned to production. The study should be completed and the workover procedures evaluated within the next year. Please grant "Long Term Shut In" status for this well until December 1, 2000.

14. I hereby certify that the foregoing is true and correct
