Dear Mr. O'Hare:

References are made to your Applications for Permits to Drill (APD's) the wells listed on the enclosure. The referenced APD's are rescinded and returned, as requested by your letter of March 24, 1995. Any rescinded APD may be resubmitted at any time when definite drilling plans are formulated.

You are required to request surface rehabilitation instructions from this office if construction activities have occurred on any proposed drill site. If this office does not receive comment within 30 days, it will be presumed that no construction occurred. Later discovery that construction activities have occurred, may result in assessment of liquidated damages.

If you have any questions, please contact Mr. Errol Becher of this office at (505) 599-6358.

Sincerely,

/s/ Ken Townsend
