16. OTHER: Extension of Permit to Drill		

OK  
The Permit to Drill this well expires on 05/20/92. It is anticipated that the well will not be spud before this time.

Please extend our Application for Permit to Drill as this well has not been spud.

Gentlemen:

References are made to your Applications for Permits to Drill (APD's) the wells listed on the enclosed list. As requested on your sundry notices, dated April 28, 1982, the subject APD's are rescinded and returned.

You are required to request surface rehabilitation instructions from this office if construction activities occurred on the referenced drill site. If this office does not receive comment within 30 days, we will presume that no construction occurred and proceed accordingly. Later discovery that construction activities have in fact occurred, may result in assessment of liquidated damages.

Sincerely,

/s/ Duane Spencer
