Dear Mr. Pantaleo:

References are made to your Applications for Permits to Drill (APD's) the wells listed on the enclosure. You indicate in your Revised 1994 Plan of Development for the San Juan 28-7 Unit, that the referenced wells will not be drilled in 1994. The subject APD's are hereby rescinded and returned. Any expired or rescinded APD may be resubmitted at any time when definite drilling plans are formulated.

You are required to request surface rehabilitation instructions from this office if construction activities occurred on the referenced drill sites. If this office does not receive comment within 30 days, it will be presumed that no construction occurred. Later discovery that construction activities have occurred, may result in assessment of liquidated damages.

If you have any questions, please contact Mr. Errol Becher of this office at (505) 599-6358.

Sincerely,

s/s Ken Townsend
