RE: Accept downhole commingle applications and allocation factors

Dear Ms. Cole:

The following wells were reviewed for downhole commingling. After reviewing the production history for these wells, we concur with the allocation factors established in your application. The effective date is the date that downhole commingling actually occurs. The wells and the approved allocation factors are listed below.

| Well Name          | Lease/CA#/PA#                                    | Location          | API#       | Formation Allocation   | Formation Allocation  |
