13. Describe Proposed or Completed Operations

Meridian Oil Inc. respectfully requests to temporarily install approximately 550' of 4" schedule 40 line pipe for a period of one (1) year, from the Huerfano Unit #24 EPNG blow down to the Huerfano Unit 10SE blow down. This pipe will run along the East side of the existing road as shown on the attached topographic map. This request will allow Meridian and EPNG to evaluate the need for a permanent line connect.
