April 17, 1956

J. Glenn Turner Box 728 Farmington, New Mexico

Re: Santa Fe 078356

Gentlemen:

Receipt is acknowledged of your "Notice of Intention to Drill" dated April 17, 1956 covering your well No. 56-23 Huerfanite Unit in NE: sec. 23, T. 27 N., R. 9 W., N. M. P. M., San Juan County, New Mexico, So. Blanco-P.C.

Your proposed work is hereby approved subject to compliance with the provisions of the "Oil and Gas Operating Regulations" revised May 25, 1942, a copy of thich will be sent to you on request, and subject to the following conditions:

- 1. Drilling operations so authorized are subject to the attached sheet for general conditions of approval.
- 2. Furnish copies of all logs.

Very truly yours,

Constitution of the second

Jerry W. Long Acting District Engineer
