Dear Sir:

Form C-110 was originally approved on the subject well on May 4, 1959. Subsequently the C-110 was cancelled on May 12, 1959 for the reason that a dual completion order had not been entered.

A dual Completion order has now been received in this office. By this letter we are reinstating Form C-110 in order that Dakota gas may be produced.

Yours very truly
