Att: Mr. E. J. Coel

Dear Ed:

Enclosed is a gas well plat which you have submitted on your #2-F Riddle well and which we are returning as the unit only contains 302 acres and is a non-standard unit. I believe this will require approval by Mr. Macey although it is a unit well as I do not believe it has been previously approved.

If I am wrong and you have secured previous approval, please type this information on the fact of the plat.

Yours very truly
