Re: El Paso Natural Gas Co., Tapp #6, A-22-28N-8W

Dear Fred:

Supplement NW SF 7742 is in error.

Enclosed is a portion of Order R-3856 which included the acreage in the Aztec-Pictured Cliffs Pool.

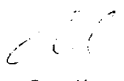

Also enclosed is a copy of our notice to all parties showing the correct pool designation dated November 4, 1969.

The February Schedule had the well properly located in the Aztec Pool.

We do not know of any information which would cause the well to be removed from the Aztec Pool.

If there are questions, please contact us.

Yours very truly,

A. R. Kendrick
Engineer, District #3
