Dear Mr. Kendricks:

I have enclosed an unapproved copy of the Completion Report for the above referenced well as per our telephone conversation of January 4, 1979. This report was initially mailed to the U.S.G.S. office in Farmington on July 5, 1978. Copies of that form have also been resubmitted to the U.S.G.S. office.

I am in hopes that this will satisfy our documentation requirements sufficiently to warrant approval of our Request for Allowable (Form C-104). I would appreciate any assistance which you might lend to expedite matters and allow production of this well to begin.

Very truly yours,

A handwritten signature in cursive script that reads "Carley Watkins".
