Denver, Colorado 80202

Re: Getty Oil Co.
John Charles #8
930' from the North line, 1390 feet from the East line
D-13-27N-8W

Dear Mr. Brown:

We have no objection to Getty's drilling the subject well at the identified location at their own risk while the application for non-standard location is being processed.

In our opinion, no offset operator would have any justifiable objection to the location since the topography was not caused by action of the Getty Oil Company.

If there are questions please contact us.

Yours very truly,

A. R. Kendrick
