Gentlemen:

Reference is made to your Application for Permit to Drill (APD) Well No. 2 Tapp on lease Santa Fe 078499 in the NW¹SW⁴ section 16, T. 28 N., R. 8 W., N.M.P.M., San Juan County, New Mexico, dated September 25, 1979. The APD was erroneously approved by this office on October 18, 1979 and the approval was rescinded, by our letter of October 25, 1979, due to the lack of a surface owner agreement.

This office has received the surface owner agreement and approval is granted for the above APD. The applicable USGS and BLM requirements are specified in the enclosed General Requirements for Oil and Gas Operations on Federal and Indian leases.

Sincerely yours,

James F. Sims
District Oil and Gas Supervisor
