13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

The operator is continuing to negotiate for a gas sales line. The requirement to cross NAPI surface is creating a problem. Our plans are to complete line installation as quickly as possible. We ask that long term shut-in be continued.
