Dear Sir:

This letter is to inform you that El Paso Natural Gas Company is in the process of dually completing the following well.

Storey No. 8-C

SW 33-28-9

This well will be dually completed in the Pictured Cliffs-Mesa Verde as a gas-gas dual. A packer will be installed on the 2-3/8" tubing between the zones with a sidedoor choke installed in the 2-3/8" tubing above the production packer. Upon final successful completion, a formal application for administrative approval will be made to the Oil Conservation Commission in Santa Fe.

Yours very truly,

E. J. Coel
Senior Petroleum Engineer
