Gentlemen:

In response to your letter of May 22, 1959, enclosed are two copies of Well Location and Acreage Dedication Plat covering our U. S.- Knauff "B" #1 well located in San Juan County. You will note on this plat that the location is not as it was reported on the Notice of Intention to Drill that we sent to you previously. We are also enclosing two corrected copies of Notice of Intention to Drill, showing the proper location. This change in location was made due to extremely rough terrain.

Very truly yours,

KINGWOOD OIL COMPANY
