Dear Mr. Kendrick:

In reply to your letter of August 8, 1956, please be advised that Cheyenne Oil Ventures, Inc., has been absorbed by Fremont Uranium Corporation, 340 Denver Club Building, Denver 2, Colorado, the present operator of the Cheyenne #4 Kutz well in Section 34, T 28 N, R 10 W.

Please be advised further that this well logged off and at the present time is being worked over with a view to putting it back on production. You will be advised of the outcome of this workover as soon as results are obtained.

Please let us know if you need any further information.

Very truly yours,

Howard Chamlee  
Secretary
