13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

We recently acquired this well from Burlington Resources and have not yet evaluated it. It is requested to extend the long term shut-in until May 1, 1998 in order to swab test this well and evaluate its production potential.
