

June 24, 1966

Tenneco Oil Company  
P. O. Box 1714  
Durango, Colorado

Gentlemen:

Subject: Davidson B #1 Fulcher Kutz PC Located: (G) 28 28N 10W

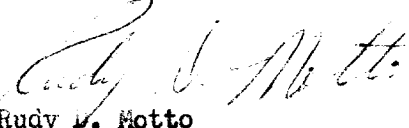

In accordance with our letter to you, dated 12-17-65 we have suspended the changing of charts and servicing of our equipment on the above named well, effective June 26, 1966.

We will be pleased to reinstitute service on this well upon your notification that it is again economically capable of producing into our lines.

However, in the event that the producing capability of this well does not improve within the next 90 days, Southern Union may exercise its option to remove its facilities presently serving this well.

Very truly yours,

SOUTHERN UNION GAS COMPANY
