INSTRUCTIONS

Form 6-1116

This form shall be submitted to the District Office with the District Office of the Oil Conservation Commission, the transporter from which oil or gas is produced, or transporter, as the case may be, for each transporter authorized to transport oil or gas. After said certificate has been approved by the Oil Conservation Commission, one copy shall be forwarded to the transporter, one copy retained by the transporter, and two copies retained by the Oil Conservation Commission.

A new certificate shall be filed to cover each change in operation, ownership and each change in the transporter. Except that in the case of a temporary change in the transporter involving less than the allowable production for one production period, the transporter shall, in lieu of filing a new certificate, notify the Oil Conservation Commission District Office, and the transporter authorized by certificate on file with the Commission, by letter of the estimated amount of oil or gas to be moved by the transporter temporarily moving oil or gas from the land and the name of such temporary transporter and a copy of such notice shall also be furnished such temporary transporter. Such temporary transporter shall not move more oil or gas than the estimated amount shown in the notice.

This certificate when properly executed and approved by the Oil Conservation Commission shall constitute a permit for pipe line connection and authorization to transport oil or gas from the property named therein and shall remain in full force and effect until:

- (a) Operation ceases permanently;
- (b) The transporter ceases operation;
- (c) The permit is annulled by the Commission.

If any of the above conditions occur, the transporter or the Commission have not been notified, the transporter shall explain fully under the heading "REMARKS".

In all cases where there is a change in ownership of the land, the transporter shall show under "REMARKS" the name of the new owner and the transporter previously authorized to transport.

A separate report shall be filed with the Commission, as required, by the Oil Conservation Commission.
