Mr. Emery C. Arnold
Supervisor, District 111
New Mexico Oil Conservation Commission

Dear Mr. Arnold:

This morning we received your notice to Southern Union Gas Co. to shut in our well #1 s/w 20 28 10 account our failure to file Gas Well Plat. This was an oversight on the part of the writer coupled with pure ignorance as to what a plat is.

Will you kindly assist me in the preparation of this plat so that we may file it at the earliest possible minute. We certainly do not wish the well shut in and are equally anxious to comply with all the rules and regulations of the commission.

Your assistance in this matter will be greatly appreciated. Thank you.

Yours very truly,

J. F. Seaton
