Dear Sir:

This letter is to notify you that El Paso Natural Gas Company intends to change plans on dual completion of the #9-B Lackey, SW/4, Section 21, 28N, 9W.

We were unable to complete this well in the Mesa Verde as originally intended, so the well has been plugged back and completed as a Pictured Cliffs well, only.

Yours very truly,

E. J. Coel
Senior Petroleum Engineer
