Dear Pete:

We have received a letter dated February 4, 1957 from El Paso Natural Gas Company stating that they have abandoned plans to dually complete their #9-B Lackey in the SW $\frac{1}{4}$ Section 21-28N-9W. They were unable to make completion in the Mesaverde zone and have plugged back to the Pictured Cliffs. The well is located on Federal land and we will receive plugging details on their miscellaneous reports.

Yours very truly
