CHAPTER I

1776

THE DECLARATION OF INDEPENDENCE

On the 4th of July, 1776, the Continental Congress declared the United States to be a free and independent nation.

The Congress, on the 4th of July, 1776, declared the United States to be a free and independent nation, and on the 12th of the same month, the Declaration of Independence was signed by the members of the Congress.

The Declaration of Independence was a statement of the principles of the new nation, and it was a declaration of the rights of the people to be free and independent.

The Declaration of Independence was a statement of the principles of the new nation, and it was a declaration of the rights of the people to be free and independent.
