Dear Sirs:

This request is on behalf of the above-referred-to operator.

It is requested that the above-referred-to wells be waived from the requirement of having a lined pit for produced water due to:

1. The wells do not produce water in sufficient quantity to require a separator.
2. The wells are occasionally blown into the atmosphere to remove small quantities of water.
3. The water, when blown to the atmosphere, occurs as a mist and cannot be collected and quality and quantity determined.

Your consideration and cooperation will be appreciated.

Very truly yours,

Ewell N. Walsh, P.E.
President
