Dear Mr. Porter:

This is to request administrative approval of an unorthodox location in the Aztec Pictured Cliffs Pool (Extension), San Juan County, New Mexico.

This well, our Lackey No. 6-B is to be located 900' from the North line and 560' from the West line of Section 21, Township 28 North, Range 9 West, N.M.P.M., San Juan County, New Mexico. The major portion of this 1/4 Section consists of a series of sandstone bluffs which would make the cost of roads and location extremely expensive.

This well is to be a Pictured Cliff test and is offset on the NE/4 of Section 20 by a lease held by El Paso Natural Gas Company; therefore, approval of other operators have not been sought.

I am enclosing two copies of the Certified Well Location Plat sketching terrain conditions and two copies of our Intention to Drill.

Thank you for your attention in this matter.

Yours very truly,
