DATE OF REPORT: 10/10/10 TITLE: 10/10/10

The information given hereafter is a complete and correct record of the work and all work done under

MEMORANDUM FOR THE RECORD

combined with the fact that the number of people who are not in the labor force is increasing, the labor force is shrinking. This is a problem for the economy, as it means that there are fewer people working and producing goods and services. The government is trying to address this problem by encouraging people to work longer hours and by providing incentives for people to enter the labor force.
