Gentlemen:

The enclosed packer-leakage tests were inconclusive in proving zone separation.

You are directed to reschedule and retest the wells in such a manner as to prove zone separation.

Advise this office by telephone prior to testing, in order that such test may be witnessed.

If you have any questions, please call this office.

Yours truly,

A handwritten signature in cursive script, appearing to read "Charles Gholson".

Charles Gholson
Deputy Inspector
