Reid A #1, A-13-29N-10W *[Signature]*

Dear Smitty:

Open flow Packer Leakage retests on the referenced wells indicate they both have a small tubing or packer leak. In order to comply with Rule 112-A and the order authorizing the multiple completion, you are directed to take remedial action as soon as possible.

If you have any questions, please contact this office.

Yours truly,

A handwritten signature in cursive script, appearing to read "Charles Gholson".

Charles Gholson  
Deputy Oil & Gas Inspector
