Gentlemen:

The above well, which was originally completed as a producing gas well, was disconnected from the pipeline in November, 1958. Nothing has been filed subsequently with this office indicating that the well has been either permanently or temporarily abandoned.

Will you please indicate your intention with respect to either permanently plugging and abandoning this well or placing it back on production.

Yours very truly,

Emery C. Arnold
Supervisor, District #3

Dear Mr. ...:

Dear Mr. ...:

I am very glad to hear from you and to hear that you are interested in the work of the Commission. The Commission is a non-profit organization which is dedicated to the conservation of our oil resources. We are currently working on a number of projects which are designed to improve the efficiency of our oil production and to reduce our consumption of oil.

I am sure that you will find our work very interesting and that you will want to know more about it. I am sure that you will want to know more about the work of the Commission and that you will want to know more about the work of the Commission.

Sincerely,
...

Very truly yours,
