Attention: Mr. Emery C. Arnold

Gentlemen:

We received your letter of July 8, 1955 concerning the non-standard unit for Southern Union Gas Company's Well No. 11, Zachry located in the SW $\frac{1}{4}$ Section 10, T28N, R10W. It is my understanding that the six non-standard units along the north side of Township 28N, Range 10W, start at the center of Section 10 and extend east. Therefore the non-standard unit for our Zachry #11 consisting of the E $\frac{1}{2}$ E $\frac{1}{2}$ Section 9 and the W $\frac{1}{2}$ Section 10 is not included in this group. This has been brought to the attention of our legal department and they are working up the proposal and it should be in the hands of the Commission in a few days.

Thank you for bringing this to our attention.

Yours very truly,

SOUTHERN UNION GAS COMPANY
