Attention: Mr. Emery C. Arnold

Gentlemen:

As requested in your letter of June 13, 1956 regarding our Gentle No. 1 and Gentle No. 2 gas wells located in Section 9, T-28N - R-11W, we wish to advise that these wells were located and drilled prior to the date which you required the new Form C-128.

We have completed and are enclosing your Form C-128 on each of these wells and have attached a plat showing the proposed dedicated acreage to each well. Our attorneys have scheduled a hearing on these proposed communitizations, which according to our information, is scheduled for July 11th at Hobbs.

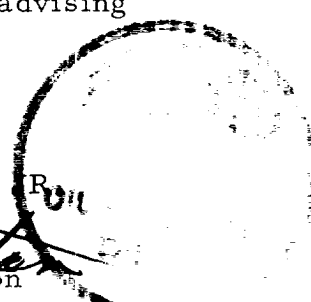

In anticipation of the Commission approving our communitization, we are forwarding these forms to you in order that we might begin selling gas from these leases at the earliest possible date.

We will certainly appreciate your advising us if any other information is necessary.

Very truly yours,

JOHN J. REDFERN, JR.
