CONDITIONS OF APPROVAL, IF ANY:		

General: This form is designed for submitting proposals to perform certain well operations, and reports of such operations when completed, as indicated, on Federal and Indian lands pursuant to applicable Federal laws and regulations, and, if approved or accepted by any State, on all lands in such State, pursuant to applicable State law and regulations. Any necessary special instructions concerning the use of this form and the number of copies to be submitted, particularly with regard to local, area, or regional procedures and practices, either are shown below or will be issued by or may be obtained from, the local Federal and/or State office.

Item 4: If there are no applicable State requirements, Federal or Indian land should be described in accordance with Federal requirements. Consult local State or Federal office for specific instructions.

Item 17: Proposals to abandon a well and subsequent reports should include the following special information as is required by local Federal and/or State officials: (a) reasons for the abandonment; (b) date on any former or present productive zones, or other zones with present significant fluid contents not sealed off by cement or other plugs; (c) depth (top and bottom) and method of placement of cement plugs; (d) amount, size, method of parting, and any casing liberated; (e) method of closing top of well; and date well was conditioned for final inspection looking to approval of the abandonment.
